TRUST FUNDS, INTERIOR DEPARTMENT.

COMMUNICATION

FROM

THE SECRETARY OF THE INTERIOR,

IN RESPONSE TO

A resolution of the House, furnishing a full and complete schedule of all trust funds held by the chiefs of Bureaus in the Department of the Interior.

JULY 20, 1886.—Referred to the Committee on Ways and Means and ordered to be printed.

DEPARTMENT OF THE INTERIOR,
Washington, July 17, 1886.

SIR: I have the honor to acknowledge the receipt of a copy of a resolution of the House of Representatives, dated the 27th of May, as follows:

Resolved, That the Secretary of State, the Secretary of War, the Secretary of the Treasury, the Attorney-General, the Postmaster-General, the Secretary of the Navy, and the Secretary of the Interior be required, respectively, to furnish this House with a full and complete schedule of all trust funds in their custody, from whom and when received, to whom due, where held, and amounts of same; the amount of the unexpended balance of the Geneva award available for the payment of the judgments of the Court of Alabama Claims, and all other unexpended balances in the custody of either of the above-named officers of the Government; the estimated amount required for repayment to importers of excess of customs dues, and any and all claims, of whatever nature, estimated and ascertained, which may within the fiscal year become a liability against the Treasury of the United States.

In response I transmit herewith reports from the chiefs of Bureaus of this Department, containing the information called for by the resolution so far as it relates to this Department.

Very respectfully,

L. Q. C. LAMAR,
Secretary.

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

DEPARTMENT OF THE INTERIOR,
PENSION OFFICE,
Washington, D. C., June 12, 1886.

SIR: In compliance with your verbal instructions of this morning, I have the honor to return herewith copy of resolution of the House Committee on Ways and Means calling for a complete schedule of all trust funds in the custody of this Department, and the amount of all unexpended balances, as well as the estimated amount required to pay all claims of whatever nature which may become a liability against the Treasury within the present fiscal year.

I have to report that from the latest information furnished to me—that is, under date of June 5, 1886—there was in the hands of the eighteen United States pension agents the sum of \$10,918,195.16 of the Army pension fund and \$181,812.19 of the Navy pension fund.

There is in the Treasury of the United States, as shown by the records of this office at this time, \$64,063.56 of Army pension funds and \$151,733 Navy pension funds, balances of these appropriations respectively.

It is safe to assume that the claims against these appropriations will entirely exhaust them before the close of the present fiscal year. There is also at the present time an unexpended balance of \$419,372.92 of the appropriation for the arrears of pensions made by the act of Congress approved March 3, 1879.

It is estimated that at least \$5,000 will be required to pay the claims accruing on account of arrears during the remainder of the present fiscal year. It is proper to state, in this connection, that this appropriation is not deposited in the Treasury at the end of the fiscal year, it being made continuous by the act of March 3, 1879.

Of the appropriation for the various items in the conduct of this office, I am advised by Mr. Brock, the assistant chief clerk, that on this date the unexpended balances are as follows:

Salaries, \$311,555.64; salaries of special examiners, \$60,959.95; for the investigation of matters pertaining to Pension Bureau, \$92,462.27; per diem of additional special examiners, \$72,452.23.

The claims against these several items during the remainder of the fiscal year are estimated to be as follows:

Salaries, \$160,000; salaries of special examiners, \$17,000; per diem for detailed clerks, \$13,000; per diem for special examiners, \$14,000.

I am not aware that there are any trust funds, so far as the Pension Office is concerned, within the custody of the Secretary of the Interior.

Very respectfully,

H. C. BELL,
Chief Agents' Division.

Hon. JOHN C. BLACK,
Commissioner of Pensions.

PENSION OFFICE, June 12, 1886.

Respectfully forwarded to the Hon. Secretary of the Interior, with the remark that this information was requested by the resolution of Hon. A. S. Hewitt, of the House of Representatives, and it is believed that the statement as made by Mr. Bell is correct.

JOHN C. BLACK,
Commissioner.

DEPARTMENT OF THE INTERIOR,
OFFICE OF COMMISSIONER OF RAILROADS,
Washington, June 9, 1886.

SIR: I have had the honor to receive by reference from you to-day the resolution of the House of Representatives requiring each Department of the Government to furnish the House with a schedule of all trust funds in its custody; and respectfully report that I have had no such funds in my custody.

Most respectfully yours,

J. E. JOHNSTON,
Commissioner.

Hon. H. L. MULDROW,
Assistant Secretary, Interior Department.

DEPARTMENT OF THE INTERIOR,
UNITED STATES GEOLOGICAL SURVEY,
Washington, D. C., June 10, 1886.

SIR: In answer to the interrogatory relating to the resolution adopted by the House of Representatives on May 22, and referred to this office for report, I have the honor to state: First, there is in the custody of the Geological Survey no trust fund of any nature whatever. Second, there is in the Geological Survey an unexpended balance for the fiscal year ending June 30, 1885, of \$1,134.74, which is held to meet outstanding liabilities. Third, there are no other unexpended balances of appropriations made for the Geological Survey—not including, of course, the appropriations made for the current fiscal year.

I am, with great respect, your obedient servant,

J. W. POWELL,
Director.

The SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,
BUREAU OF LABOR,
Washington, D. C., June 11, 1886.

SIR: I am in receipt of a resolution of the House of Representatives, passed May 27, 1886, relative to trust funds, &c., and in compliance with your request for a report from this Bureau relative to the matters covered by said resolution, I have the honor to report that no trust funds of any nature, or any other funds described in said resolution, have come to my custody in any way.

I am, very respectfully, your obedient servant,

CARROLL D. WRIGHT,
Commissioner.

The SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,
UNITED STATES PATENT OFFICE,
Washington, D. C., June 16, 1886.

SIR: In compliance with your indorsement of the 9th instant upon a copy of a resolution of the House of Representatives of the 27th ultimo,

that the Secretary of the Interior furnish a full and complete schedule of all trust funds in his custody, &c., I have the honor to say that this office has not in its possession any funds of the character described in the resolution above mentioned.

Very respectfully, your obedient servant,

M. V. MONTGOMERY.

The SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,
GENERAL LAND OFFICE,
Washington, D. C., July 15, 1886.

SIR: I have the honor to acknowledge the receipt, by reference from the Department for report, of a resolution of the House of Representatives relative to certain trust funds, &c., and in reply thereto have to state that this office has no trust funds in its custody.

There are certain outstanding liabilities chargeable to the appropriations for the fiscal year 1886, the amount of which cannot be at present stated owing to the fact that the accounts thereto pertaining have not been adjusted. The liabilities of the Government for the past fiscal year are provided for by the appropriations made, and a large surplus will be turned into the Treasury. Contracts for surveying the public lands have been approved for \$90,988, and additional ones amounting to \$24,409 are still pending. If the contracts pending are approved, the estimated liability for surveying will be \$115,397. State fund accounts, accounts of special agents, registers and receivers, swamp indemnity, and other miscellaneous accounts outstanding will, it is estimated, approximate \$100,000 additional for the fiscal year 1886.

Very respectfully,

WM. A. J. SPARKS,
Commissioner.

Hon. L. Q. C. LAMAR,
Secretary of the Interior.

DEPARTMENT OF THE INTERIOR,
BUREAU OF EDUCATION,
Washington, D. C., June 16, 1886.

SIR: In reply to your reference of the 9th instant, asking for an answer to a copy of the following resolution, offered by Mr. Hewitt, from the Committee on Ways and Means—

Resolved, That the Secretary of State, the Secretary of War, the Secretary of the Treasury, the Attorney-General, the Postmaster-General, the Secretary of the Navy, and the Secretary of the Interior be required, respectively, to furnish this House with a full and complete schedule of all trust funds in their custody, from whom and when received, to whom due, where held, and amounts of same; the amount of the unexpended balance of the Geneva award available for the payment of the judgment of the Court of Alabama Claims, and all other unexpended balances in the custody of either of the above-named officers of the Government; the estimated amount required for repayment to importers of excess of customs dues, and any and all claims, of whatever nature, estimated and ascertained, which may within the fiscal year become a liability against the Treasury of the United States—

I have the honor to reply that the amount appropriated for the use of the Bureau of Education for the year ending June 30, 1885, was \$49,397.60.

Of this there have been expended \$48,753.98. The outstanding liabilities amount to \$81.75. The balance is \$561.87.

Very respectfully,

WM. H. GARDINER,
Acting Commissioner.

The SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,

(5) Statement of United State bonds (Union Pacific Railroad) held in trust by the Secretary of the Interior (Treasurer of the United States, custodian) for Indian tribes, the interest on which is paid semi-annually by the Secretary of the Treasury.

Very respectfully,

J. D. C. ATKINS,
